- f. Your favorite food
- g. Your favorite singer/band

5. Click on 'Submit' once you are done

6. Click the  to close the box when you are done.

The screenshot shows the Tagxedo 'Enter Text' form. It has a light blue background. At the top left is a 'Load Menu' button. Below it are three input fields: 'File:' with a 'Browse...' button, 'Webpage:' with a text box and a 'Submit' button, and 'Enter Text:' with a large text area and a 'Submit' button. At the bottom is a 'Player (XAP):' field with a 'Browse...' button. A hint at the bottom reads: 'Hint: Ctrl-A to select all, Ctrl-C to copy, Ctrl-V to paste'. A close button (X) is in the top right corner. Arrows from the instructions point to the 'Create' button, the 'Load ...' button, the 'Enter Text' area, the 'Submit' button, and the 'Close' button.

Your Word Cloud will be created in the space. Once you have created your word cloud, you can then use the following controls to change the way it looks:

Color – changes the color within the theme you have already chosen, it may change the words or the background color

Theme – changes the colors of the word used in the word cloud

Font – changes the font of the words in the word cloud

Orientation – changes the direction the word face in the word cloud

All – Changes the Color, Theme, Font, and Orientation all at one time

Shape – changes the shape of the word cloud created

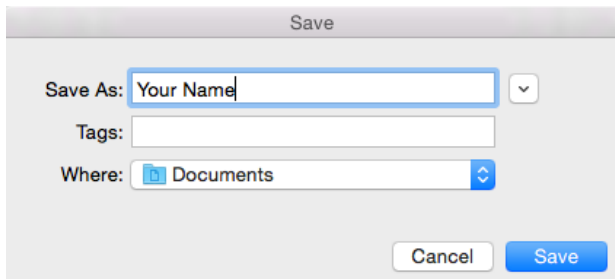

If you want to go back to a previous version of your word cloud, click  and you will see previous versions of your work.

Tagxedo Instructions

To Save your Tagxedo
