WASHINGTON, DC SCAVENGER HUNT

HOW IT WORKS:

Work in teams to find the objects and answer the questions. Take photos, when applicable, and post them on Twitter (See back page). Use hash tags to indicate what the picture is about. If your pictures are not appropriate or do not relate to the scavenger hunt, you will receive a 0 for this assignment. Don't forget to include team members in the photos!

WHERE TO FIND HELP

- Pay very close attention to what the tour guides tell you at every location. Don't be afraid to ask the guides questions! They love to answer questions.
- Ask the staff or museum or site's information desk to point you in the right direction. The museum staff can also provide maps.
- Check out the maps at each location for clues.
- If you have a smartphone, download the FREE National Mall app. It provides lots of useful information.
- Read signs and plaques very carefully.
- Look over the scavenger hunt before starting. A little research on your phone can help you locate items.

GRADING

You will be graded on the following scale

Maximum number of points – 1650

0 – 25 points – F

26 – 150 points – D

151 – 250 points – C

251- 350 points – B

351- 1650 –points – A

Please note that you do not have to complete every task to get an A on this assignment. Look over the items and decide, as a group, which ones you would like to complete. Check the items off as you go. I will collect this paper to fact check with your twitter pictures.
