

Thinking of you  
And praying for you  
For a fresh touch from the Lord  
So you will get well  
And be strengthened again  
To be whole and completely restored.

I'm sorry to hear  
You're not feeling well,  
I'm praying for God's healing touch  
And His tender mercies  
To flow from above  
Just to say, 'I love you so much'.

May you have a greater sense  
Of God's grace and love  
At this time when you feel unwell,  
May you know God's healing touch  
And know I am thinking of you  
And committing you to the Lord  
So you will be strengthened again  
And be completely restored.

May God's love overshadow you  
At this time you feel unwell  
And know we're here thinking of you  
And praying for your good health.

I lift you up unto the Lord,  
For I know that He will hear  
I pray that you may feel His presence  
And know that He is near  
I pray that God would intervene,  
Divinely healing you  
That you may be completely whole,  
Restored and made brand-new.

Just to let you know  
That I'm continuing to pray  
That you will soon recover  
And get stronger every day  
I'm praying that you'd have  
God's peace in your soul  
And feel His arms around you  
As He heals and makes you whole.

I pray that you will be much better  
And soon be on your feet  
That Jesus' love will cover you  
And bring the healing that you need  
Know that I am thinking of you  
And lifting you to the Lord  
That He would touch and heal you,  
Is what I'm praying for.

I lift you up unto the Lord,  
Knowing He can heal  
Hold on to God's promises,  
No matter how you feel  
Open your heart and receive  
A fresh touch from the Lord  
And know that I am praying for you  
That you will be restored.

I pray that you  
Will know God's love  
At this time you feel unwell  
And I pray that God  
Would touch you now,  
Restoring you to good health.

Heard you're feeling not so good  
And need some cheering up,  
Something that would brighten your day  
And says you're valued much  
I pray that you will feel God's love  
And know that He is near  
And that we all are thinking of you  
And want to show we care.

Sorry to hear  
You feel unwell,  
I will lift you up to the Lord  
And pray that you  
Will soon return  
And be healed and fully restored.

I hope you feel better soon  
With the passing of each day  
I will continue to remember you  
When to God, I humbly pray  
I ask the Lord for your healing  
And to be there by your side  
Anointing you with the healing oil  
Made pure by the blood of Christ.
